FOREWORD

Watching our gym family evolve and grow after 3 difficult years impacted by the pandemic has been both inspirational and incredibly rewarding. You may recall this year's theme was "Make your Mark" and we feel every family and coach has embodied this mentality 110%. We are so proud, not only of our numerous competitive achievements, but the way everyone has contributed to and enriched our legacy. We couldn't set them all out below, but here are some of our season '22 highlights!

- Completed our first season as an independently owned and locally run program.
- New facility and fit out.
- Increasing ways to participate in/access to cheerleading by committing to operating expanded Flips, Lifts & Dance and CheerSPORT programs with increased performance opportunities.
- Offering teams at every EliteCHEER level.
- Starting a non-tumbling program to provide alternative pathways for athletes and keep young women in our sport.
- Fielding and preparing the only South Island based teams to qualify three seasons in a row for the IASF Cheerleading Worlds (Club Worlds) including the first non-tumbling team in New Zealand to earn a worlds bid.
- Fielding and preparing the very first Youth aged team to represent New Zealand at the ICU World Cheerleading Championships 2023 in Orlando, Florida.
- The first cheer program in New Zealand to implement a 360 degree wrap around support structure for our Level 4-6 high performance athletes combining physiotherapy, nutrition, performance and technical coaching support dedicated to helping our girls be their best selves.
- 500 new tumbling skills taught.
- 33% increase in membership.
- 100% of net profit reinvested back into facility, fit out, equipment, coach education and our industry leading 360 degree wrap around support structure.

So where to from here?

We are fortunate to have lots of incredible opportunities to work towards but here are some of our big hairy audacious goals and projects for 2023 (and beyond)!

- Saving for major reinvestment in a brand new 9 panel spring floor system

- Continued development of safe sport policies & procedures
- Supporting the creation of sustainable career pathways in sport
- Global Games representation, Hawaii 2023
- Club & ICU Worlds representation, Orlando 2023
- Club Worlds representation, Orlando 2024

COMMITMENT

Cheerleading provides a unique opportunity to teach the value of commitment. Being a part of a team means being a part of something much bigger than yourself. Unlike other team sports, every team member and every position on a team is equally important. We ask our athletes to be at all scheduled trainings, performances and competitions, however, we also understand that our athletes need to be happy and healthy. This means we will not require you to train when you have a contagious illness or on most public holidays & school holidays (Exceptions: King's Birthday & The 2nd week of Term 3 school holidays).

CONFIRM ANY PRIOR COMMITMENTS AT TRY OUTS (ELITECHEER ONLY)

To help us to avoid practices with large numbers of absences, write down the dates of any known prior commitments in 2023 on your try-out form.

BEING AWAY BEFORE COMPETITION

To ensure your team is set up to compete a safe, clean routine under competition pressure, the 3 weeks prior to any competition is a no miss zone. Athletes who are not able to attend one or all practices in this period may have their positions re-choreographed or skills watered down so that they are not under any pressure to perform skills that they have not been able to train consistently.

LETTING US KNOW YOU'LL BE AWAY

If you become aware your child is unable to attend practice before 3pm on the day of training, please send us a direct message on Heja app.

ELITECHEER TRY-OUTS

Tryouts are an exciting time of year when new and current EliteCHEER team members are placed on their team for the upcoming season. Our experienced staff take great care to ensure every team is set up for a successful season and matches athlete ability levels as closely as possible.

Note- Athletes are only required to attend team placements if they wish to be placed on an Elite team (includes Novice). CheerSPORT athletes graduate to the next Grade up at the end of every season and do not need to attend team placements.

FAQS

DOES EVERYONE MAKE A TEAM?

Every child will be placed on a team in our programme whether CheerSPORT or Elite.

HOW IS MY CHILD'S TEAM PLACEMENT DETERMINED?

Tryouts can be a difficult time for athletes as they result in change. An athlete's position on a certain team will be determined by their age, attendance record, tumble and stunting ability with reference to the IASF level system. The try-out videos for each level can give you a good indication about what tumbling, jump skills and mastery are required at each level. All athletes in Level 1-4 will also be asked to attend a stunt call back so that we can confirm where they best fit in terms of their building skills. This gives us a full picture of each child's skill level and ability to contribute to a team.

PROGRESSION

After years of experience we have learnt that it is not in the best interests of our athletes to fast track their cheerleading careers. We hope all our athletes will stay in the sport for many years, particularly as we now know our Worlds and Olympic competition age will be 16 & older!

We have learnt the more time spent at each level makes our cheerleaders stronger physically and mentally. We want our cheerleaders to enjoy their time with us and we have found that moving athletes too soon can result in cheerleaders feeling too much pressure. In particular, we ask parents to please avoid requesting their athlete be considered for a team until they can perform ALL of the tumbling skill requirements consistently, with good technique or without having competed the building skills in a level for a FULL competition season. When we are asked to move an athlete without all of the skills mastered, it means they are unable to be fully utilized in all areas of the routine which is not as fun as being able to participate in everything. We are committed to making sure every routine is innovative, fun & challenging and would like to focus on improvement rather than level. This is an important step to take with a number of major scoring changes on the horizon following our Olympic recognition.

RESULTS

Tryout results will be released within the seven days following your team placement date. Try out results will be sent by email. Should you have a concern in regards to your result please wait 24 hours before contacting Claire by email: claire@allstarcheerleaders.co.nz . We will be happy to discuss your concerns with you after this time.
